You can count on our team's experience to fix it.

Simplify maintenance with one company that can handle all your equipment service needs.

Efficient communication and business practices that save you time and money.

COMMERCIAL KITCHEN SERVICES

We know that your successful kitchen is a complex machine with many moving parts that need to maintain a steady rhythm to be productive. That's why Arctic Moose Ltd strives to keep your operation running smoothly by keeping your essential kitchen equipment working at peak performance. While you worry about feeding hungry customers, let our team make sure that your equipment works efficiently by providing quality, dependable commercial kitchen services. We offer skilled technicians, a responsive and friendly support staff, and knowledge of today's manufacturers' equipment. Whether you need an emergency repair or cleaning and maintenance on all your hot side kitchen equipment, we'll get the Job done.

EMERGENCY REPAIRS

When a crucial piece of equipment breaks during a busy dinner shift, it's an emergency. Call us any time of the day or night, and we'll get there in a hurry and fix it fast as we have a 24-hour call out service

CLEANING & MAINTENANCE

To keep your hot side equipment working at its best, it needs periodic cleaning and inspection for failing parts and issues that could cause breakdowns. Maintenance is also important to keep you in compliance with food safety regulations. We'll take care of it at a convenient time for you and give you the peace of mind that comes with knowing your kitchen is in tip-top shape.

COMMERCIAL KITCHEN SERVICES

EQUIPMENT SERVICE

Even If it's not an emergency, we understand that when things are not working right, you need them fixed quickly and reliably. In fact, we offer a part and labour warranty on all commercial kitchen services. We can also offer dependable advice when you're facing a repair or replace decision.

CONTRACTS

The smartest food service owners and managers know that the best way to control repair expenses is with a commercial kitchen services maintenance contract. We custom-design each agreement for your needs, your equipment, and your budget. Contracts can cover maintenance only or can include repair parts and labour coverage. Arctic Moose Ltd can take care of all your equipment service needs, including refrigeration equipment and air conditioning systems as well.

ARCTIC MOOSE'S COMMERCIAL HVAC SERVICE

COMMERCIAL HVAC REPAIR

With years of experience in the business, no matter what kind of equipment you have, we've worked on it before. From decades-old legacy systems to the latest and greatest in air conditioning and heating technologies and controls, we have the expertise to service it correctly.

EQUIPMENT MAINTENANCE

To keep your HVAC systems working at their best, it needs periodic inspections for failing parts and issues that could cause breakdowns. Maintenance is also important for prolonging the life of the equipment and for keeping your energy bills down. Our service is convenient, thorough and hassle-free and gives you the peace of mind that comes with knowing everything is operating at peak efficiency.

EMERGENCY REPAIR SERVICE

No matter when you need us, day or night, weekday or weekend, we'll be there fast with reliable friendly commercial HVAC service with our 24-hour call out service.

ARCTIC MOOSE'S COMMERCIAL HVAC SERVICE

MAINTENANCE CONTRACTS

The smartest business owners and facilities managers know that the best way to control repair expenses is with a maintenance and service contract. We custom-design each agreement for your needs, your equipment, and your budget. Contracts can cover maintenance only or can include repair parts and labour coverage.

COMMERCIAL HVAC SYSTEMS INSTALLATION

Getting a new HVAC system up and running correctly requires years of experience and training to do the job right. It's much more than connecting a few pipes. We'll make sure it's installed to run at peak efficiency, saving you money on energy bills and prolonging the life of your new system. Arctic Moose employees are trained and certified by numerous equipment manufacturers, so you can be sure we're qualified to handle any commercial HVAC installation. Not only are our engineers knowledgeable in the industry, but our commercial HVAC installation projects are completed to your satisfaction.

WE SERVICE WHAT WE INSTALL

If you want to eliminate headaches, choose our commercial HVAC installation company that takes the care of the equipment for the long term. Here's something you may not realize: your new equipment warranty may be invalid if you fail to maintain your equipment. That's why you need a commercial HVAC maintenance agreement. Since Arctic Moose Ltd also services and maintains the systems we install, you can be sure that every detail will be properly attended to so that your system runs reliably and at peak efficiency. Be sure to ask us about this service before we complete your installation.
